THE CHAMPION GROUP

INFLUENCING A GENERATION FOR CHRIST

At The Champion Group, we feel called by God to come alongside you and help cultivate the "soil" of your school (Matthew 13:18-23) by removing barriers to organizational effectiveness so that you can have an **unrelenting focus on the spiritual development of the next generation for Christ.**

A MESSAGE

FROM OUR HEAD OF SCHOOL

Each day I am humbled by the opportunity God has given me to serve as your Head of School.

It has been a pleasure to meet and get to know so many of our families. This is a unique place in West Cobb and I wake up every morning with anticipation of what God is going to do next in our school.

With all the things happening in our world today, families need an option like Dominion Christian that provides a Christ-centered education. It is important that we grow the next generation knowing that a person's beliefs drive their values and values drive their actions.

As many of you know we have been working diligently on a Strategic Plan to set the direction of our school over the next few years. We have "big" dreams for this school as we are positioning Dominion Christian to be able to reach more families thus impacting more lives for Jesus. In his book, Chase the Lion, Marc Batterson writes: "A God-sized dream will always be beyond your ability, beyond your resources. Unless God does it, it cannot be done! But, that's how God gets the glory. If your dream doesn't scare you, it's too small."

But, Ephesians 3:20 says "Now to Him who is able to do immeasurably more than we could ever ask or imagine." I translate it this way...God can do everything! We believe God has a purpose for this school...in this day...at this time...in this community.

That is why after 25 years, we are still standing. That is why we must have God-sized dreams. I hope you will join us as we continue to show up and let God show off for His glory.
