## Come join our Dominion Family!

At Dominion, we invest in the next generation to love God and love others through Christ-centered education. Our 32 faculty and administrators, with an average of 15+ years of experience in education, accomplish this goal through our College Preparatory academics (mind), athletics and extra-curriculars (heart), and student life events (soul). Dominion's academic excellence consists of thorough instruction in the basic disciplines and the opportunity to be challenged by increasingly complex subject matter in an increasingly complex world – all integrated with a Biblical worldview.

### Academics|Mind

High School classes run on a traditional 8-period day including core courses and co-curriculars.

College-Prep: 17 dual-enrollment courses offered through Truett-McConnell University (TMU) and 5 AP/Honors courses

College App Café meets once a week to work on college applications over coffee and snacks.

Faculty members are certified through the Association of Christian Schools International (ACSI).

## Student Life|Soul

Dominion provides numerous experiences for students to make memories that will last a lifetime: weekly Chapels, Retreat, Missions Trips (Ecuador, Costa Rica), Fellowship of Christian Athletes (FCA), pep rallies, and multiple class-specific field trips.

IN A WORLD THAT OFTEN FEELS BROKEN, WE ARE INCREDIBLY GRATEFUL TO FIND A SAFE AND NURTURING ENVIRONMENT TO HAVE THE OPPORTUNITY TO EXCEL ACADEMICALLY.
