

Middle School Life

Come join our Dominion Family!

At Dominion, we invest in the next generation to love God and love others through Christ-centered education. Our 32 faculty and administrators, with an average of 15+ years of experience in education, accomplish this goal through our College-Preparatory academics (mind), athletics and extra-curriculars (heart), and student life events (soul). Dominion's academic excellence consists of thorough instruction in the basic disciplines and the opportunity to be challenged by increasingly complex subject matter in an increasingly complex world – all integrated with a Biblical worldview.

Academics|Mind

Middle School classes run on a traditional 8-period day including core courses and extra-curriculars.

Our Middle School teachers create a learning environment that is hands-on, immersive, and technologically relevant. All Dominion students receive a Google Drive account and use chromebooks frequently.

The DCS Academic Coaching Program provides support for students with learning disabilities and accommodations. During the course the student learns how to use an agenda, improves study skills, utilizes test accommodations, recognizes their learning styles and learns ways to best utilize them.

Over 90% of middle school students meet or exceed the IOWA assessment standards yearly.

Faculty members are certified through the Association of Christian Schools International (ACSI)

IN A WORLD THAT OFTEN FEELS BROKEN, WE ARE INCREDIBLY GRATEFUL TO FIND A SAFE AND NURTURING ENVIRONMENT TO HAVE THE OPPORTUNITY TO EXCEL ACADEMICALLY.

Middle School Life

Athletics|Heart

Our middle school athletes compete in the Georgia Association of Private & Parochial Schools (GAPPS). Our teams are competitive and have won Regional Championships and GAPPS Championships.

Fall Sports: Football, Cross Country, Volleyball

Winter Sports: Basketball, Cheerleading, Swimming (8th)

Spring Sports: Baseball, Track & Field

Extra-Curriculars|Heart

Dominion students have many opportunities to get involved and explore the full range of talents that God has blessed them with through our multifaceted curriculum. DCS middle school students participate in GAPPS Fine Arts and Academic Competitions in areas like Spelling Bee and Geography Bee as well.

Electives: Band, Chorus, Theater, Keyboarding, STEM, Art

Clubs: Chess Club, Explorers Outdoors Program

Student Life|Soul

In addition to weekly chapels and class-specific field trips, the highlight of the DCS Middle School is the end of the year when each grade goes on their annual trip.

6th Grade: Rock Eagle 4-H Camp

7th Grade: Tybee Island 4-H Camp (Science focus)

8th Grade: Washington D.C. (History focus)
